**Government Arrangement**

Community Bank is operated through a contract between a commercial financial institution and the Department of Defense. Currently the contractor is Navy Federal Credit Union. The Defense Finance and Accounting Service, in coordination with the Military Service banking representatives, is responsible for oversight of Community Bank. Community Bank is referred to as “Community Bank,” “the Bank,” “we,” “us,” or “our” within this document. “You” and “Your” means each and every owner of the account and each and every other person with authority to operate the account.

Navy Federal Credit Union currently operates Community Bank under a contract with the Defense Finance and Accounting Service. In accordance with that contract, Community Bank may be identified as “Community Bank, Operated by Navy Federal Credit Union.” Nevertheless, your relationship is with Community Bank, not Navy Federal Credit Union. Additionally, neither this Account & Miscellaneous Schedule of Fees (“Schedule of Fees”) nor other documents associated with your account(s) at Community Bank create a contractual, fiduciary, quasi-fiduciary or special relationship between you and Navy Federal Credit Union.

**Your Guide to Service Fees**

This schedule lists account fees applicable to personal and organizational accounts<sup>1</sup> as described on the following pages. It contains information about our balance requirements, transaction limits or allowances and some of our standard fees for these accounts. Your account and deposit relationship with us are governed by the Schedule of Fees and the Deposit Agreement and Disclosures. Please read both agreements carefully. These agreements are part of the binding contract between you and us for your account and deposit relationship. You can also find these agreements at [dodcommunitybank.com](http://dodcommunitybank.com). We may add or change accounts / services and convert or discontinue existing accounts or services from time to time.

Some of the standard fees for each account are listed with the account description. Some of the other fees that may apply, depending on which account you have and what services you use, are listed in the sections which follow the account descriptions. Please review the entire schedule carefully. Fees for your account may vary based on your overall relationship with us and additional fees may apply depending on how you use your account. For information about interest rates, information about other services, and fees not covered in this schedule, please visit a banking center or call us at the number on your statement.

<sup>1</sup> Note that this Schedule of Fees does not apply to organizational accounts on account analysis. Organizations that qualify for account analysis will be provided a separate fee agreement prior to account opening.

Miscellaneous Fees

This section includes some additional fees that may apply to our accounts and services. For more information about these additional services and applicable fees, please call us at the number on your statement.

Banking at ATMs

Not all types of transactions will be available at all ATMs.

Community Bank ATM – an ATM that prominently displays the Community Bank name and/or logo on the ATM:

Table with 2 columns: Transaction type, Fee. Row 1: All transactions, No Fee.

The denial fee applies to each request to withdraw or transfer funds at a non-Community Bank ATM that is denied because the request exceeds either the available balance or the daily cash withdrawal limit.

When you use a non-Community Bank ATM, you may also be charged a fee by the ATM operator or any network used and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer.

Community Bank does not charge non-account holders for using Community Bank ATMs; however, the non-account holder’s financial institution may assess a charge.

See the disclosure that accompanied your card for more information and additional descriptions of fees that may apply.

4 These fees are reported on your statement as an “OD Item Fee” if the item is paid or an “NSF Ret Item Fee” if the item is returned and not paid.

Insufficient Funds – Overdraft and \*Returned Items

Examples of items are a check, a Standing Payment Order, an in-person withdrawal slip, an ATM withdrawal, or other electronic instruction (such as a point of sale or online bill payment instruction). Please see the Deposit Agreement and Disclosures for more information about overdrafts, NSF returned items and how we process and post these items.
