**Government Arrangement**

Community Bank is a Department of Defense owned banking program operated through a contract with a commercial financial institution. The Defense Finance and Accounting Service, in coordination with the Military Service banking representatives, is responsible for the oversight and management of Community Bank. Community Bank is referred to as “Community Bank,” “the Bank,” “we,” “us,” or “our” within this document. “You” and “Your” means each and every owner of the account and each and every other person with authority to operate the account.

Bank of America, N.A. currently operates Community Bank under a contract with the Defense Finance and Accounting Service. In accordance with that contract, Community Bank may be identified as “Community Bank, Operated by Bank of America.” Nevertheless, your relationship is with Community Bank, not Bank of America, N.A. Additionally, neither this Account & Miscellaneous Schedule of Fees (“Schedule of Fees”) nor other documents associated with your account(s) at Community Bank create a contractual, fiduciary, quasi-fiduciary or special relationship between you and Bank of America, N.A.

**Your Guide to Service Fees**

This schedule lists account fees applicable to personal and organizational accounts<sup>1</sup> as described on the following pages. It contains information about our balance requirements, transaction limits or allowances and some of our standard fees for these accounts. Your account and deposit relationship with us are governed by the Schedule of Fees and the Deposit Agreement and Disclosures. Please read both agreements carefully. These agreements are part of the binding contract between you and us for your account and deposit relationship. You can also find these agreements at [dodcommunitybank.com](http://dodcommunitybank.com). We may add or change accounts / services and convert or discontinue existing accounts or services from time to time.

Some of the standard fees for each account are listed with the account description. Some of the other fees that may apply, depending on which account you have and what services you use, are listed in the sections which follow the account descriptions. Please review the entire schedule carefully. Fees for your account may vary based on your overall relationship with us and additional fees may apply depending on how you use your account. For information about interest rates, information about other services, and fees not covered in this schedule, please visit a banking center or call us at the number on your statement.

<sup>1</sup> Note that this Schedule of Fees does not apply to organizational accounts on account analysis. Organizations that qualify for account analysis will be provided a separate fee agreement prior to account opening.
