

Making a Euro Bill Payment Online?

Let us show you how.

SEPA (*Single Euro Payments Area*) Online Euro Bill Pay makes single and repeating payments within SEPA participating countries more convenient than ever. An IBAN, or *International Bank Account Number*, and BIC, or *Bank Identifier Code*, are part of the European standard that has been adopted as part of SEPA. In order to begin paying your local bills online, you need to enroll in Online Banking at **DoDCommunityBank.com** and be aware of the IBAN and BIC for both yourself and the companies you regularly pay, such as landlords and utility services.
